how good an airline can be.**

Right now Alitalia aims to make itself the airline that other world airlines set their standards by.

We'll show you the world's finest planes.

At Alitalia we believe in keeping our fleet as up to date as your requirements.

We started flying the Boeing 747's on intercontinental routes way back in 1970 — so today, for example, you can relax in wide-bodied comfort from Rome right through to Australia.

And we were the first European airline to fly DC-10's into South America.

Either one offers you more space in space on our long-haul routes.

The B-727's together with the DC-9's and DC-8/62's complete our fleet, giving smooth, reliable flights between Italy and neighbouring countries.

We'll show you a smile.

Italians are friendly people who enjoy life. That's why our food and service are known throughout the world.

On board our planes they come with a smile, because we believe the happier we are the better we work.

We'll show you reliability.

At Alitalia we think the secret of a reliable plane is the reliability of the technicians who service it.

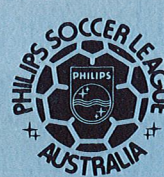

That's why behind every hour of flying time there are never less than 20 manhours of careful maintenance.

It's this kind of painstaking attention to detail by our 3,500 maintenance engineers that has led to their being chosen by other major worldwide airlines to maintain some of the equipment on their aircraft.

At Alitalia we're showing the world. So just ask your Travel Agent about us.

And let us show you too.

From THE MANAGER'S DESK

After seven rounds the team is lying in a comfortable position on the P.S.L. Premiership Table. There is still a long way to go and a lot of matches to play before the championship is decided .. but I can honestly say and I quote, "we are looking good". The team is starting to play a well organised and disciplined football .. a type of football which breeds results. The atmosphere and morale amongst the team is high. It has taken them time to settle down and play the type of football they are capable of. Last Sunday in Adelaide Marconi achieved one of its best results to date with a well deserved 1-0 over Adelaide City. It was one of the most disciplined games of football that Marconi has played this year. A great effort.

While in Adelaide it was pleasing to see a number of Marconi Supporters in the crowd, Mr. Claudio Russo, Mrs. Claudio Clochiatti, Mrs. Clochiatti and Julie Clochiatti.

On Friday, May 9th, at 7.30 p.m. in the Club Auditorium the full international match between Italy vs Switzerland will be screened, its only \$2.00 booking fee so come along and support your team and see world class soccer.

Also keep an eye out for further matches that will be screened throughout the season.

Tickets are also on sale at the Club office for the coach trip to Newcastle on Saturday, May 10th, for Marconi vs Newcastle KB United.

Today we welcome St. George B.S.C. to Marconi. St. George always give Marconi a hard game in all respects and today's affair will be no different.

Apart from the Main Match we have the Marconi Under 13 Team vs Austral Under 13 commencing at 1.30 p.m. Also the Fairfield Patrician Brothers Boys Band will entertain the crowd.

THE COACH COMMENTS

Individual and team discipline are the two points which I have emphasized to each individual member of the team since we commenced training for the 1980 P.S.L. Season. Last Sunday's result over Adelaide City was the most disciplined performance from Marconi I have seen to date. The result was achieved through well disciplined and organized team football.

I've heard a certain amount of criticism that our football has been inconsistent over the last few weeks. To a certain point I agree with this .. but there are a number of factors which have contributed to this, the main factor being injury to a number of players. You must remember that we have as yet not fielded our best team on the park since the commencement of the 1980 P.S.L. Season.

The win over Adelaide City showed that the players are starting to play the football they are capable of. Remember we are still the best team in the country ... "now" we have put it together and started to play as the best team in the country .. and as I've stated before I cannot see any team finishing ahead of us in the championship race.

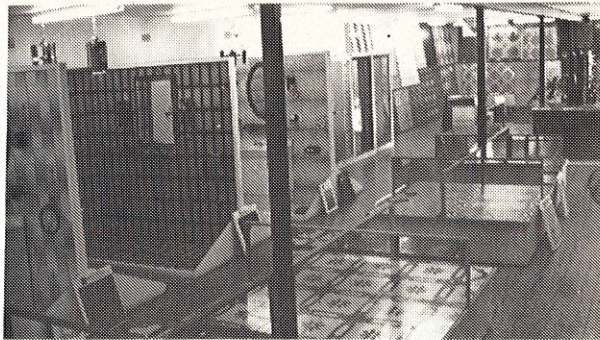

Our last home match against Footscray proved to be a torrid affair. Before I go further let me say that I was not happy with the team performance. Marconi presented Footscray with the equalizing goal and a valuable point. It was difficult for Marconi to play "football" in such a rugged match. Footscray proved to be an extremely aggressive side with little respect for the opposition. I look back now and realize how lucky it was that no one was seriously hurt. Berti Mariani was the only major casualty with 15 stitches inserted into a wound he received from being kicked in the calf muscle. Berti will restart training this week.

Today on behalf of the Board of Directors and the Soccer Management Committee I extend a warm welcome to the players and officials of St. George B.S.C. St. George led capably by my old friend Raul Blanco are an extremely talented side, they have a mixture of experience and youth, e.g. Doug Utjesenovic, Rudi Gnavi, Paul Kay, Peter Katholos.

The game should prove to be an interesting tussle with the St. George "babes" up against the craft and experience of Marconi.

THE WORLD GAME

ARSENAL FANS ARE ANGRY

ROBERTO BETTEGA

Arsenal fans are bitterly angry over a foul committed by one of Europe's greatest players when Arsenal played Juventus in the Cup Winners Cup at Highbury.

The player is Italian international Roberto Bettega. And the Arsenal player on the receiving end, Irish international David O'Leary.

After the match, a 1-1 draw, O'Leary said: "Bettega knew exactly what he was doing. Only a shin pad saved me from a broken leg."

Arsenal manager Terry Neill added the comment: "I don't want to create a situation which will rebound on us in the second leg in Turin, but Bettega must live with that tackle on his conscience."

"If any of my players had retaliated I would have been disappointed because that would have reduced Arsenal to the Juventus level."

• The usual Fleet Street exuberance, so often followed by grim soul-searching and scapegoat hunting...Said the "Daily Mail" after England's 2-0 over Spain in Barcelona: "With Woodcock, Francis and Keegan, we can beat the whole world."

• Former Cosmos manager Eddie Firmani has joined the Philadelphia Fury in the North American Soccer League. The Rochester Lancers and the San Jose Earthquakes, meanwhile, cannot find suitable coaches at all.

• Uli Hoeness, Bayern's manager: "We're not interested in Liam Brady any more. His style is similar to that of Paul Breitner's — but Paul is a much better player."

• Uli Stielike, Real Madrid's West German ace, may join Hamburg for the new season.

• Inter Milan are now certain to have won the Italian championship as their lead, with four rounds to go, is an unassailable seven points. Only two points separate the second from the seventh on the table.

• The court case in the Italian Pools scandal is likely to begin in two weeks. According to the latest, four Juventus players are also implicated.

George Best left Scottish club Hibernian last week, having failed to do anything to halt the team's inevitable relegation from the Premier Division.

Best will now play for San Jose Earthquakes in the N.A.S.L., making yet another attempt to demonstrate that he still has something to offer Soccer.

With Hibernian, Best was rumoured to be getting \$5,000 per match.

There's inflation trouble in the U.K. but that's crazy.

Youth World Cup field taking shape

Fifteen national youth teams will qualify to compete for the FIFA Coca-Cola World Cup in Australia after a series of preliminary games held during 1980 and early 1981.

The UEFA (Europe) Confederation is currently conducting its elimination series and the six countries chosen to come to Australia will be known on May 25, 1980.

The South and Central American, African and Asian Confederations, will finish their elimination series by November 1980.

The final eliminations and the winner of the UEFA zone will come from four groups, after a tournament held in East Germany.

These have already

qualified for the tournament:
GROUP A: Spain, Italy, Norway, Hungary.

GROUP B: Bulgaria, E. Germany (host country), Holland, France.

GROUP C: Romania, Finland, Poland, W. Germany.

GROUP D: N. Ireland, England, Yugoslavia, Portugal. The group matches will be played on May 16, 18 and 20.

Winning teams from each group will play in the semi-finals on May 23 at Halle and Gera.

The final will be at Leipzig on May 25.

The top six countries will represent UEFA in the FIFA Coca-Cola Cup, Australia 1981.

FOREST SET FOR MADRID

It looks like a Nottingham v Real Madrid final in the European Champions' Cup on May 28, in Madrid's venerable Bernabeu Stadium.

Last week both teams established a handy lead in the first leg matches and while Hamburg is capable of pegging this back, Nottingham, short of a collapse, look fairly safe.

In the Cupwinners' Cup Arsenal's prospects are grim as they will be hard pressed to win in Turin.

In Nottingham, Trevor Francis scored for Forest 11 minutes before halftime and a John Robertson penalty on the hour completed a bleak night for the Dutchmen.

Arsenal had less to show for a turbulent European Cupwinners' Cup match against Italy's Juventus and only a goal by Frank Stapleton five minutes from time enabled them to draw 1-1.

In the first half Arsenal had lost centreback David O'Leary, who was carried off injured and Juventus had Marco Tardelli ordered off after a dangerous tackle on Liam Brady.

The Italians led from the 11th minute when Antonio Cabrini scored from the penalty spot.

Valencia's Argentine World Cup star Mario Kempes san-

dwiched a great goal between two by Bruno Baronchelli, leaving Nantes with a 2-1 lead to take to Spain.

Stuttgart and Bayern Munich took modest home-lead in the all-West German UEFA Cup semifinals.

Harald Nickel put Borussia ahead with 18 minutes to go but eight minutes later Hermann Ohlicher equalised and a penalty by George Volkert nosed Stuttgart to victory with two minutes left.

Munich, three times European champions, got two second half goals against Eintracht Frankfurt but only 10,000 fans were there to see them.

Dieter Hoeness scored five minutes after the break and captain Paul Breitner made it 2-0 from the penalty spot 14 minutes from time.

EURO-CUP SEMIFINALS (First leg)

Champions' Cup:
Nottingham v Ajax 2-0
Real Madrid v Hamburg 2-0

Cupwinners' Cup:
Arsenal v Juventus 1-1
Nantes v Valencia 2-1

UEFA Cup:
Byrn, Munchen v Frankfurt 2-0
Stuttgart v M'gladbach 2-1
Return matches: April 30.

COSMOS GRAB NEW STAR

New York Cosmos paid \$1,000,000 for Anderlecht's Belgian star, Francois van der Elst, but there was an important proviso before the deal went through.

Cosmos had to agree that van der Elst would be released to represent Belgium in the European Championships in June.

In fact, the player will have only two matches in Cosmos' colours after the end of the Belgian season before he heads back to Europe for the titles.

When Belgium beat Poland 2-1 in Brussels recently, national team managers Enzo Bearzot (Italy), Ron Greenwood (England) and Ladislav Kubala (Spain) were in the stand watching.

They were not as impressed by van der Elst as by the 35 year-old, bald, Belgian midfielder, Wilfried Van Moer, who was his team's mastermind.

But van der Elst is, by far, the most expensive player in Belgium's soccer history.
